

PAC Recommended Resources for Physics

Learning strategy from videos:

1. Watch the video until the content makes the most sense.
2. Take Notes.
3. Put it on mute, re-watch the video and then explain the video in your own words.

- [Khan Academy](#) – large collection of instructional videos sorted by topics, along with examples and exercises.
- [MIT Open Course Ware](#)
- [PhET](#) - from the University of Colorado - collection of simulations in Physics
- [HyperPhysics](#) fun mind maps to learn concepts in Physics
- [MIT Open Course Ware for Planetary Sciences](#)
- [Minute Physics](#) on YouTube - short videos on concepts in Physics
- [Veritasium](#) - fun videos on physics and other subjects on YouTube
